CLEARING THE WAY for the new multi-million dollar Palm Springs Sands Hotel, Doran May, sole owner of the new property, points out to his demolition crew just what must be done. The new hotel will not only be one of the most luxurious in Palm Springs, but also will have in connection with it a 3,000 seat auditorium. Construction of the new development is now under way, and work on the auditorium will be started this summer. (P.S. Newsphoto)

HOLIDAY TRAFFIC DEATH TOLL MOVES UP TODAY

Helen Skene Services Set Here Tuesday

Funeral services for Helen Louise Skene, 90, 32-186 Sky Blue Waters Trail, a resident of Riverside County for 46 years, will be held at 10 a.m., Tuesday, from the Wiefels and Son Chapel here, with the Rev. Frederick A. Barnhill, pastor of St. Paul's in the Desert Episcopal Church, officiating.

Interment will follow at Coachella Valley Cemetery at Indio.

Mrs. Skene died at 9:50 p.m., Thursday, at a local hospital, following an illness of short duration.

A native of Dayton, Ky., she was a resident of California for 55 years.

Survivors include two daughters, Mrs. Blanche Martin of Palm Springs, and Miss Harriet Skene of Coachella; one grandson, John W. Martin, airman third class, Moffet Field, Calif., and a sister, Mrs. Bert Burgess of Rockford, Mich.

Contract Bid Awarded by Church Board

With groundbreaking ceremonies to be announced at a later date, a special committee appointed by the Church Board of the Palm Springs Community Church yesterday awarded the bid for the construction of the new sanctuary.

Lowest bidder for the job was J. Putnam Henck of San Bernardino, who submitted a long list of sub - contractors, most of them local people.

The Henck bid was the lowest of nine bids received by the church.

The new sanctuary will be completed and ready for occupancy by next fall, according to Dr. James Blackstone, pastor.

CONVENTION HALL INCLUDED IN PLANS

Representing an ultimate expenditure of $5,000,000, construction work has been started on one of the desert resort area's largest and most luxurious hotel-apartment developments, including a 3,000-seat auditorium and two restarants, it was announced today.

Utilizing the North Palm Canyon Drive site of the Palm Springs Pueblo, the elaborate spa will cover 18 acres of land when it is completed by the start of next season, it was announced.

THE DEVELOPMENT, the largest in the history of Palm Springs, has been in the planning stage for almost 10 years.

Palm Springs Realtor John Williams has played an important and outstanding part in the assembly of the necessary land for the development.

Williams has held much of the land since 1945 and most recently sold a total of eight acres of the land to Doran May, a transfer recorded on Dec. 12 and recognized as one of the largest transfers of single land holdings on Palm Canyon Drive.

TO BE KNOWN AS the Palm Springs Sands, a name that was registered by owner May some 10 years ago, the new luxury hotel will have 401 hotel apartment units, a snack bar building, bath house, two single family residence units, the convention hall, five swimming pools and a series of decorative pools with waterfalls and night lighting.

A unique sun-bathing pool will float a raft which by means of a slowly circulating water will revolve sun bathers to give them an even tan.

Guests of the new hotel will have such features as direct dial telephones in each room, individual heating and cooling, circulatory ice water, hi-fi music and television, private patios and parking at the door.

THIS DEVELOPMENT is the first step to bring large conventions to Palm Springs, and make the desert resort a major contender for bigger conventions.

The convention hall, or auditorium, has been designed to afford almost any use. It will have pre-fabricated partitions which can be installed or removed at a moment's notice to make any special room or rooms. The moveable walls are complete with electrical wall plugs and some have windows.

THE BUILDINGS will be of ranch-style architecture constructed of reinforced masonry and plaster, driftwood and native stone. Utilities will be placed underground, and the units will be housed in one and two story buildings.

Another unique feature of the New Palm Springs Sands will be a closed circuit TV system throughout the property, which will allow the owner and managers to control the operation of the spacious structure.

More than ample parking has been ararnged, with 1,000 parking spaces set for the convention hall alone.

MAY ANNOUNCED that the architecture of the 14-building project has been done by Armet and Davis, noted Los Angeles architects, and that the architectural styling and interior motif will be tropical.

Twin Blasts Rock Boston Waterfront

At Least Two Killed, Several Others Missing

BOSTON (UPI) — Twin explosions rocked the city's Charlestown waterfront section today just an hour before the area would have been thronged with last minute Christmas shoppers.

Police Lt. Chester A. Henchey said two bodies have been recovered and that some persons still were missing. An undertermined number were injured, including a small boy who was found pinned in the wreckage.

AMONG THE critically injured were three teen-age boys, two of whom had been delivering oil when the first explosion occurred.

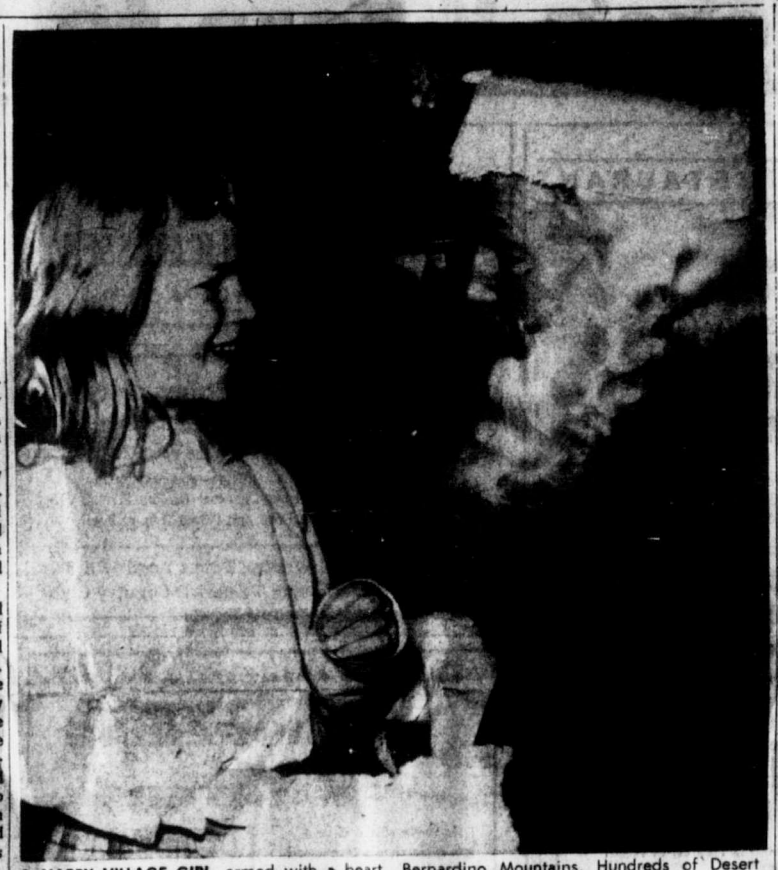

The explosions destroyed the Diamond Nugget Cafe, a new two-story brick building, and the adjacent Purity Ice Cream Cone Co., a three-story wooden structure. Police said the cafe had been reopened only a month ago on the site of the former Golden Nugget Cafe which was destroyed by a similar blast three years ago.

JOSEPH MASUCCI, a policeman, had been called to check reports of an odor of illuminating gas in the area just before the blasts. He had left the bar just before the explosion and was knocked to the street. He said he was about to summon an emergency crew when the first blast occurred.

Witnesses said "the whole neighborhood rocked like a big boat" and a rain of shattered glass spread for more than a block from the explosion scene.

The dead were identified as Frederick Lyman, 18, of Charlestown and Benjamin Siegel, 42, of Chelsea, the cafe owner.

A three-alarm fire broke out in the two buildings which prompted a police to describe the blasts as a "major disaster."

Total Of 510 Predicted

Americans today went home for Christmas.

In crowded airports, in jammed trains and buses, and on traffic-clogged highways, millions of Americans spent Christmas Eve hurrying to be with relatives and loved ones in time to nail stockings to the mantlepiece.

The National Safety Council predicted that 510 of them would die in auto crashes by the time the holiday weekend ends.

Highway deaths began slowly, but they were expected to soar today as the roads clogged.

A UNITED PRESS International count of 1:30 p.m. (e.s.t.) showed 108 traffic deaths since the 78-hour Christmas weekend began at 6 p.m., Friday.

The breakdown was:

Traffic 108

Fires 14.

New York's traffic toll was heaviest, at 11 dead. Michigan reported 9; California 4; Georgia 3, and Tennessee and South Carolina each 2 highway deaths.

SOME 200 TRAVELERS who bypassed highways to ride an early morning Chicago & North Western train in Iowa Friday took advantage of a 12-hour derailment to finish their Christmas shopping at Clarion and Eagle Grove as repairs were made.

While harassed air, rail and bus lines waited for Sunday's travel lull, state and local police gave up their holidays to try to keep the highways safe.

Traffic Jam Caused by Fire On Highway

Hell, Calif. (UPI) — Destruction by fire of a bridge on U. S. 60-70 Friday night caused a massive traffic jam involving up to 1,000 vehicles, the California Highway Patrol reported.

Officers said westbound traffic alone was backed up 1½ miles and motorists traveling between Los Angeles and Phoenix, Ariz., were rerouted at Desert Center.

McMahon, whose life was saved by the future President, will ride on a float which depicts the PT boat on which Kennedy served and commanded during World War II. President Kennedy has asked that all his former companions ride on the float.

Desert Sun to Publish Monday

The Desert Sun will publish next Monday, Dec. 26. Editorial and business office will be open Monday morning from 9 a.m. to 12 noon, with a reduced staff.

County Board Of Supervisors Meets Tuesday

Because of the holiday Monday, the Riverside County Board of Supervisors will hold a meeting Tuesday in the County Court House, at which time five Desert area items will be discussed and acted upon.

Under communications the board will receive a letter from the County Association of Chambers of Commerce relating to the holding of federal lands for park purposes.

The board also will be asked to approve service agreements for the 1961 Riverside County Fair and National Date Festival.

HOLIDAY MARKED OVER THE WORLD

By United Press International

The world's billion Christians celebrate Christmas this year with prayers of thanksgiving and the biggest burst of holiday spending since the Roaring Twenties.

It was a typical Christmas in the United States from snowblanketed New England to sunny Honolulu where bright poinsettas help Americans celebrate the birth of Christ.

IT WAS A PROSPEROUS one in Japan and in Western Europe where nightclubs were booked solid days iadvance in the biggest, gayest and most expensive Christmas in history.

The Christmas rally began in mid-Pacific at the International Dateline at 7 a.m. e.s.t., and as the world spun on its axis Christmas Eve gave way to Christmas Day throughout the world.

IT WAS A TROUBLED world. The threat of a Korean - type war hung over Laos and Communist China was making ominous threats and accusations.

The Congo was still in a turmoil. Refugee Baluba tribesmen driven from their homes by stronger and more fierce Luluas were reported starving at the rate of 200 a day.

IN ETHIOPIA where Emperor Haile Selassie has just put down a rebellion against his 30-year regime, armed patroles moved through the streets of Oran waving knives, hatchets and rebel flags. In troubled France the people tried to forget with an orgy of parties seldom seen since World War II.

The threat of war hung over the Holy Land where Christian pilgrims from Israel were allowed to cross into Jordan for the annual pilgrimate to Bethlehem, the little town where Christ was born.

President Gamal Abdel Nasser took note of reports Israel might be building an atomic bomb and said this meant war if it were true.

IN ROME, WHERE Pope John XXIII broadcast a message of peace and good will to mankind, there were midnight masses. And in Moscow, too, and in other countries behind the Iron Curtain.

WITH INDIO CHP SINCE '37

Veteran Officer Given Promotion

INDIO — Former California Highway Patrol sergeant Wesley D. Patton is lieutenant Patton now, but the veteran Indio district officer has mixed emotions about the duties of rank.

"I've been here since July, 1937, and we hate to leave," Lt. Patton told The Desert Sun. The elevation means Patton will be assigned as a sub - station commander, probably in the Mojave area. He reports for the new duty station Jan. 9.

WHEN LT. PATTON joined the California Highway Patrol at Indio 23 and a half years ago as one of the men on the first completely civil service eligibility list for the service, he was one of four men who operated the station The Indio office, then a substation of the Riverside office, is now a district headquarters, with 30 traffic officers, three sergeants, and Capt. Lloyd Watson as commander.

Patton told The Desert Sun that one of the major differences in traffic observed during hs years of service here has been an increase in speed.

"THERE HAVE BEEN improvements in automobiles and in highways, but the types of accidents are similar to those back in 1937," he explained. He classed California drivers as "one of the best disciplined" groups of motorists in the county, but stressed the continuing need for education, enforcement, and engineering to curb accidents in a swelling flow of traffic.

A farewell banquet for the respected officer is planned by the men he worked with in jobs ranging from traffic officer to acting commander Cycle patrolman John Walters — the job Patton started on 23 years ago — termed the former sergeant "one of the best in the California Highway Patrol."

Patton, his wife "Gerry," and their son Gary make their home at 45-339 King Street.

NO GOLD SHORTAGE was evident when former California Highway Patrol sergeant Wesley D. Patton, center, was promoted to lieutenant. Patrolman John Walters, left, pinned on a little award from the men of Patton's detail, while Indio CHP district commander Capt. Lloyd Watson, right, compares the size of the regulation bars he had just presented the new officer. Lt. Patton's first command will be the Mohave substation. (Desert Sun Photo)

SAFE, HAPPY YULE URGED BY SAFETY GROUP

Keep your holiday safe and happy by not being involved in an accident, the Palm Springs Safety Council said today.

A total of 199 accidents have been recorded in Palm Springs during 1960, 14 more than during 1959. There have been three fatalities this year, five less than in 1959.

"Make it a merry Christmas," a Safety Council official said. "Drive carefully throughout the holiday season."

NO HOLIDAY SPIRIT

Christmas Gifts Taken by Thief

INDIO — A burglar, apparently lacking the spirit of Christmas, made off with more than 75 Christmas gifts from the home of Dal Woodhouse, of 50-462 Jefferson Street.

Indio Sheriff's Deputies investigating the case said that entry had been made by smashing a window and that the items taken included a portable radio, binoculars, clothing, several frozen chickens, canned goods, and some men's jewelry, but an estimate of the value was not determinable.

Deputies also were investigating another burglary in the office of the ranch home of William Samuel Wool, Avenue 61 and Monroe. Burglars broke into a locked filing cabinet and took a total of some $400.

Deputies said they made their entrance and exit through an unlocked door at the back of the house.

PUC Sets Hearing On Express Firm Consolidation Bid

The California Public Utilities Commission has set Jan 17, 18 and 19 for public hearing on the request of the Railway Espress Agency to consolidate its Coachella and Imperial area operations.

Examiner Carter Bishop will conduct the hearings at 10 a.m. each day in the council chambers of the Indio City Hall.

The proposed consolidation, if authorized, would be made by furnishing collection and delivery service by motor truck from key offices in Indio and Calexico. The company seeks permission to close its offices in El Centro, Holtville, Palm Desert and Palm Springs.

The Duluth-Superior Harbor on Lake Superior is America's second largest in terms of tonnage shipped. Iron ore and grain make up most of the tonnage.

U.N. SEEKS AID FOR KASAI

LEOPOLDVILLE — (UPI) — The United Nations made a Christmas appeal to the world yesterday to come to the rescue of 300,000 men, women and children threatened by starvation in the "famine triangle" in south Kasai Province.

Dr. Sture Linner, U.N. chief of civilian operations here, said an average of 200 tribesmen are dying of starvation in the Bakwanga region daily. He said the toll could mount into the "thousands" if no large-scale relief action is organized.

LINNER SAID THE situation "is of such an urgent gravity as to require world attention."

He did not direct his appeal toward any specific nation or group but the United Nations has had difficulty paying for the operations in the Congo. The Soviet Union and other Communist nations have refused to pay their share. The United States has shouldered the main part of the burden thus far.

LINNER SAID THE Red Cross planned a mercy airlift of food into the region, where hundreds of thousands of Baluba tribesmen have taken refuge from rival Lulua tribesmen.

But he said large quantities of food, particularly rice, are needed, and urgently if the famine toll is to be kept down.

He expressed appreciation for the food supplies from various U.N. members.

Wright Co-op Plan Granted Planner Okeh

Conditional Use Permit Given for Sunrise Way Plan

The City Planning Commission Wednesday approved an application by George Wright for a conditional use permit for construction of a cooperative individual housing development on the west side of Sunrise Way between Racquet Club Road and Via Esquela.

The development is planned for a 20 acre tract with approximately 17.5 acres net for building use, utilizing less than 30 per cent density, planning consultant Hy Ranes told the commission.

THE HOUSES WILL have individual patios, common recreational areas. The Wright development will entail purchase of the lots and improvements, with deeds held in trust by a trust firm which will assemble the property at the end of a stated period, leaving owners with undivided interest in the property.

The commission approved a record of survey for the first increment on a 4.23 acre plot, indicating a future 30 private access road to the property.

Approval was given the extension - renovation application of Orchard Trailer Park, and the request for deletion of a road on plans of Alpha Beta Food Market planned for the northside of the northwest corner of Ramon Road and Sunrise Way. Architectural

AN ARCHITECTURAL change on plans of W & R Investments for building at South Palm Canyon Drive and Palmera was denied on preference of applicant for current processing as previously submitted. The commission denied an application for change of zone of property of Maury and Lucille Pavny from G-R to C-1a in section 22. The request, sent to the commission for review by the city council, did not present new evidence, the commission stated.

Applications postponed to Jan. 4 included request by Cydmar, Inc., for record of survey of private road in section 36, and request by J. H. Weatherly for record of survey of property in section 3.

PUC OKEHS SLASH IN ELECTRIC RATE

Special to The Desert Sun

The State Public Utilities Commission today authorized a reduction in electric rates totaling $63,100 a year for 4,343 residential and commercial customers of California Electric Power Company, effective Jan. 1.

The lower rates will benefit 3,896 domestic customers, whose electric bills will be decreased by $59,100 a year, while 47 commercial users will have their rates reduced by $4,000. In 1958 the Commission required Calectric to make an annual zoning survey to determine whether newly built - up areas should have lower rates because of greater customer density.

This year the survey showed that five new built-up areas should be established and seven existing rate areas enlarged. The five new areas and the number of customers affected in each are: Lakeland Village on the south side of Lake Elsinore, 579; Palm Desert, 1,629; Rancho Mirage, 427; East Riverside Rate Area No. 1, 494, and East Riverside Rate Area No. 2, 353.

The seven existing rate areas which have been enlarged and the number of customers affected in each are: Ridgecrest, 56; Barstow, 99; Corona, 88; Palm Springs, 103; Desert Hot Springs, 264; Twenty-nine-Palms, 221, and Palm Springs Country Club Estates, 30.

Watch Your Choice

ST. PAUL, Minn. (UPI)—Don't choose a doctor by the way office looks, by the length of time he takes to tell you what's wrong, or by the claims he makes, warns the Minnesota State Medical Association.

If you move, the group suggests you ask your present doctor to recommend a new physician. If he can't help, the association says a local medical society or a hospital can usually recommend a reputable doctor.

Teachers Get Gift, Their Pay.

NEW ORLEANS (UPI) — Teachers in New Orleans' two integrated schools today got a surprise Christmas gift—they got paid.

School Superintendent Dr. James F. Redmond announced today that New Orleans banks, at the orders of a federal court, have begun honoring checks on the school board's deposit.

Thus the 55 employes in William Frantz and McDonogh 19 got a reprieve from a bleak Christmas. They hadn't been paid since integration began, although they managed to get a loan for their November checks.

Driving Lesson

LITTLE ROCK, Ark. (UPI) — Barrett said he and his wife were leaving a downtown parking lot when a man drove up in 1960 Cadillac and yelled to an attendant: "Come here boy. I want you to park this car and I don't want a single scrach on it."

The attendant said seriously as he climbed into the car, "Yes, sir, I know just how yu feel. I've got one just like it."

THE DESERT SUN PUBLISHING COMPANY, Established 1927. George E. Cameron Jr., president; Carl W. Schooss, executive vice-president and publisher; Lew Levy, vice-president; C. C. Hutchens, secretary-treasurer; Don Klotzbuecher, managing editor; J. W. Richardson, mechanical superintendent.

The Desert Sun is an independent newspaper dedicated to truth, accuracy and impartiality in the news; to the progress of the desert region; to the support of that which it believes right and to the defeat of that which it believes wrong.

Merry Christmas to All

The Desert Sun today wishes to express a very "Merry Christmas" to all of its subscribers.

It isn't a trite or formal statement, but an expression of sentiment to "our family."

That best expresses how we feel about our subscribers.

Christmas Day is tomorrow, and we hope that you enjoy the best holiday you have ever had, with your family and friends.

A word of caution too.

Be careful on the highway, in your home. Besides being the season for rejoicing it is also a time when tragedy is prevalent.

A Merry Christmas to "Our Famliy."

The World: Pretty Fair Shape

From where I watch this Christmas, the chances for world-betterment are greater than the chances for world-crisis—but crisis, real or imaginary, always will be headlined more prominently.

This is the way of much of the front-page news.

The storm makes headlines, while the calm is buried in the weather column.

THE ACCIDENT, crime, fire explosion is news . . . but for every car wreck there are millions who get home safely . . . for every holdup there are millions who are not held up . . . for every house that burns to the ground there are millions that grow old gracefully for a hundred years.

The National Safety Council again is informing us that some 450 will be killed across the nation over the holiday's weekend . . . but no one tells us how many millions will make it without a scratch.

TO UNDERSTAND that the purpose of news is to reveal the unusual, or the newsworthy, is to temper much of our pessimism with common sense.

Nineteen years ago this month we began a tragic sacrifice of blood and billions in World War II . . . and 10 years ago U.S. manhood made the exodus to war-torn Korea, with thousands never to return to the soil of their birth.

This is the seventh Christmas since the end of the Korean war without major bloodshed.

THE CONGO is critical . . . but there are 13 nations around the Congo in Africa which recently have gained their independence for the first time in civilized history.

After the initial period of growing pains, these nations should emerge with new individual initiative, harder work, to attain a higher standard of living.

Twelve out of these 13 nations are on our side . . . only Guinea is leaning toward Russia.

CUBA IS EXPLOSIVE and makes news . . . but what about the larger and more-influential nations in Latin America which are not critical—and which are friendly to the U.S. and which don't make headlines?

Communism has made dangerous inroads in the past 10 year . . . but one of the most unfavorable aspects of these gains is that in not a single nation taken over by communism has a secret ballot been permitted to determine whether the people preferred it.

OUR EXPERIENCE in communist countries for 29 years is that the biggest majority of the people is living in fear under a police state.

This does not mimimize the danger of communist growth but does emphasize the existence of powerful forces which inevitably will be unleashed against the atheist agressor.

THE FREE WORLD has made impressive gains against the fanatical forces of communism.

We stopped Russia in Berlin, Lebanon, Iraq and the Congo . . . and have gained ground in Egypt and India, for both Nasser and Nehru saw the pattern of communist treachery close to home in Iraq and Tibet.

After a short-lived experiment in communism in the Indian state of Kerala, the people voted it out of existence.

THE RECENT elections in Italy and Japan indicated confirmed preference for the west.

In a showdown of strength two weeks ago the Germans voted overwhelmingly for pro-west Adenauer.

The United nations in this 15th session gave Russia one of its worst beatings in U.N. history.

The Khrushchev-Castro tirades even embarrassed some of their supporters.

WITHOUT UNDERESTIMATING Russia's advances in space science, the U.S. is still supreme where it counts most . . . in overall science, technology, production . . . in defense weapons, nuclear advances, and the greatest potential in depth against any eventuality.

Russia beat us with Sputnik in 1957.

But in three short years we have twice as many satellites in orbit as Russia.

What we lack in thrust and size we make up in quality and instrumentation.

We have nuclear subs and Polaris . . . and the greatest arsenal of missiles and rockets the world ever has seen.

We have more all-around naval power than all of the navies of the world combined.

WE CAN MATCH almost one-for-one every Russian submarine with an aircraft carrier and a cruiser alone.

A lesson in U.S. air power can be derived by the U-2 incident over Russia last May.

It was a sobering warning for the communist world to discover that American U-2s were able to penetrate deep into Russia for four years without detection.

TWO-THIRDS OF the world I cover goes to bed hungry every night.

Too many of our own right here at home live in squalor and filth.

So long as two-thirds of mankind is starving and one-third is dieting, crisis and human convulsion will plague our society.

But the hunger and starvation is less, not more, these days.

U.S. GENEROSITY and individual dedication of missionaries, doctors, educators have made impressive breakthroughs in containing over-population, hunger, disease and illiteracy all over the backward world.

The wisest of men we meet on our newsbeats around the world are convinced that the more-destructive the weapons of war become . . . the more nuclear power is in balance between east and west . . . the less the likelihood of a major war.

THEIR UNANIMITY on this point indeed is encouraging.

Their consensus seems to be that 1961 will be a year of international stalemate between cold-war and cold-peace.

This is not ideal . . . but it is comforting that a major crisis is not in their expert calculations.

Fear of nuclear crisis is bringing millions around the world to a serious spiritual revival and prayer.

FEAR HAS A WAY of shocking the mind and conscience of man as few things can.

While prayer generated by fear is not the ideal, it nevertheless creates an atmosphere upon which to foster the feeling of interdependence for all men of goodwill on the road to peace.

IT IS INEVITABLE that some day man will find a way to eradicate his own man-made scourge of war.

The potential of nuclear horror may hasten his efforts.

For the seed of war . . . as the seed of peace . . . germinates in the minds of men . . . and it is in the minds of men that peace first must be cultivated.

This is the simple lesson of Christmas and its Christ.

What Every Writer Should Know About Publishing His Own Book: Today more and more books are being issued on a subsidized basis (approximately 2,000 last year alone), but unfortunately the writer of such a book too often buys a dream instead of reality. To avoid "get rich quick" and "become famous overnight" schemes, to select an honest, reputable and recognized subsidy publisher, a writer must be discriminating, he cannot depend on luck. DICK WEST:

Bird Problem in Hand

By DICK WEST
United Press International

WASHINGTON — UPI — It appears now that officials in charge of arrangements for next month's presidential inauguration will have the bird problem well in hand.

And I can tell you that a bird problem in hand is worth two in the briefcase.

But before I start passing out compliments to the inaugural planners for having solved the problem, perhaps I had better explain for the edification of any out-of-town readers just what the problem is.

FOR REASONS known only to mother nature and a few ornithologists, the downtown area of Washington is a favorite winter-time hangout for what must be about half the U.S. starling population.

Thousands of these birds descend upon the city in the late afternoons and seek overnight accommodations in the trees and eaves of government buildings. This can make pedestrian travel on the sidewalks below an unforgettable experience.

THE PROBLEM confronting President-elect Kennedy's inaugural committee is to keep the starlings from decorating the grandstands it is building along the widewalks for the inaugural parade. This is known as the "clean seat policy."

Borrowing a technique adopted by the Eisenhower inaugural committee in 1957, the Kennedy group has hired a company to "birdproof" 44 trees along a seven-block stretch of the parade route.

At a cost of $5,500, the tree limbs will be sprayed with a material reputed to be repulsive to our feathered friends. This service, however, will only benefit those spectators who pay from $3 to $25 for grandstand seats.

THUS, THE TICKET buyers will be paying a certain amount of "protection money."

In addition, there also will be, for the first time, a modicum of protection for spectators at the inauguration ceremony, which will be held in the capital plaza. The plaza is located perilously close to the Capitol dome, a traditional roosting place for starlings.

Kennedy himself will not be in any danger because the inauguration platform will have a roof. But most of the spectator seats and standing room spaces will be in an exposed position.

FORTUNATELY, CAPITOL architect J. George Stewart is trying to rush to completion in time for the event an electronic anti-bird network which is being installed around the dome.

Stewart said he believed the section already in operation was discouraging some starlings from bunking there. But I must say that I can't tell much difference.

So my advice to anyone planning to attend the inauguration is this: Either be prepared to take a calculated risk or else bring along an umbrella.

QUOTES

NEW YORK — Gen. Douglas MacArthur on why he chose to answer former President Truman's allegation that MacArthur wanted to use the atom bomb in the Korean conflict:

"I do so only to prevent a complete prevariation of history designed to cover up Mr. Truman's past failures."

MILWAUKEE, Wis. — Rep. Henry S. Reuss, D-Wis., on the selection of a sponsor for the telecast of presidential inauguration:

"If we are going to have a commercial sponsor for this milestone in this history of democracy, I submit that beer is as appropriate a product es any." 0

"THAT'S THE STORY OF MY LIFE" by box

Dear Abby...

... by Abigail VanBuren

DEAR ABBY: Please don't think I am stupid, but is there really any such thing as sleep-walking or is that something people joke about? My husband was put on a 1,000-calorie diet. Last night, about midnight, I heard the refrigerator door slam, so I got up and found Orville gone from our bed. I went to the kitchen (all the lights were on) and he was standing there, barefoot and in his pajamas, eating a piece of salami. I yelled "ORVILLE!"

He dropped the salami and acted like he just came out of a trance. He claims he doesn't know how he got there and must have been walking in his sleep. Do you think he's telling me the truth? DOUBTING MRS.

DEAR DOUBTING: His salami story sounds like a lot of baloney to me.

DEAR ABBY: Can you tell me what to do about a man who will not keep himself clean? We have been married 45 years and it is a fight to get him to take a bath on the week-end. When he goes fishing he comes home covered with dirt and fly dope and he won't take a bath because he did it before he left.

He is retired and has plenty of time. I am so ashamed of him I could cry. When he gets up in the morning he never washes his face because he says he will do it when he shaves. Please help. BETTER HALF

DEAR BETTER: Start early in the morning to nag this man, and nag him every hour of the day until he breaks down and takes a bath. If he has always been this way, then you ought to have a doctor examine your nose. If this is something new, he ought to have a doctor examine his head.

DEAR ABBY: Correct me if I am wrong, but isn't the purpose of a funeral service to (1) pay your final respects to the departed one, (2) ask the Lord to be merciful when the deceased enters the Great Unknown, (3) hear a few comforting words directed to the friends and family of the one who is laid to rest?

I just returned from a funeral, and the clergyman took advantage of the large attendance to announce (1) the mortgage had to be paid off for the recreation center, (2) people must stop parking their cars on the neighbors' lawns on Sunday, (3) the Ladies Auxiliary rummage sale needs support.

Am I overly sensitive, or was this out of order?

INDIGNANT

DEAR INDIGNANT: You are not "overly sensitive." The clergyman was out of order for advertising when he should have been eulogizing.

MERRY CHRISTMAS

AFTER SUN-SET

Hipsters' St. Nick Story Time

By GEORGE LAINE

'Beg your pardon, but I'm still behind on Christmas shopping and, although it may seem somewhat redundant after yesterday's column, here's one that Jan Lotz dug up from somewhere.

It's dedicated to all the hipsters in town.

MORNING AFTER?

'T'was the night before Christmas
And all through the pad;
Not a hip cat was swinging,
And that's nowhere, dad.

The stove was hung up,
In that stocking routine;
In hopes that the fat man,
Would soon make the scene.

The kids had all had it,
So they hit their sacks;
And me and the bride,
Had begun to relax.

When there started a rumble,
That came on real frantic;
So I opened the window,
To figure the panic.
I saw a square short,
That was making fat tracks;
Being pulled by eight dogs,
Who was wearin' hat racks.

And a funny old geezer,
Was flippin' his lid;
He told 'em to make it,
And man, like—they did.

I couldn't help diggin'
The scene on the roof;
As I stood there just waitin',
For Chubby to goof.

They stood by the chimney,
In bunches and clusters;
'Till tubby slid down,
Comin' on like 'Gangbustters'.

His threads were the squarest,
And I had to chuckle;
In front (not in back),
Was his Ivy League buckle.

The mop on his chin,
Hid his button-down collar;
And with that red nose, man,
He looked like a baller.

Like he was the squarest,
The most absolute;
But, face it, who cares,
When he leaves all that loot?

He laid the jazz on me,
And fled from the gig;
Wailin' "Have a cool yule,
"And, man, later—like dig?"

LIKE MONDAY, FOR me and thee, readers.

In the meantime, have a merry Christmas and go easy on the non-neutral spirits. I'd like to have you all around to read this column on Monday.

SWEDISH GLOG, A TRADITIONAL facet of the Christmas season in Sweden, put in its annual appearance at the Town and Country Restaurant Thursday with many Villagers on hand to once again partake of the beverage. Oscar Gilbert, owner of the T&C, samples a glass of the liquid as concocted by bartender Seamus Baker. Gilbert had no complaints on Baker's abilities. (Desert Sun Photo)

AINAHAU GROUP REAL ISLANDERS

Tommy Ainahau and His Hawaiian Serenaders featuring Prince Kawohi, South Pacific Room of El Mirador Hotel.

There may be some mystery about the new "Aloha" drink being served in the South Pacific Room of the El Mirador Hotel, but there's no mystery about Tommy Ainahau and his group — they're 14-karat Hawaiian through and through.

And they come across, via a series of audience participation project, to bring South Pacific Room patrons into direct contact with their island antics.

MUSICALLY, THE group delivers a broad variety of melody, ranging from their own interpretations of islander songs to danceable renditions of familiar stateside tunes. They play things like the "Hawaiian Wedding Song," "Little Brown Gal" and "Hooki Lau" — you can try your own spelling on that one — and manage to create a fairly "south-sea" feeling.

Prince Kawohi, personally responsible for the audience participation part of the evening, drew Villagers from their tables for hula instruction and conducted a songfest among ringsiders.

AS FOR THE NEW new "Aloha" drink, which was given its premiere test by Police Chief Gus Kettmann — with no complaints — it's merely one of a dozen exotic type mixtures which are scheduled to be South Pacific Room fixtures.

In fact, some of the other drinks actually look more mystifying than the so-called "mystery" mixture.

The canapes are well made, but slowly served. However, the service figures to improve once the room reaches some measure of routine. I'll have to report on cuisine later since I couldn't wait that long last night.

—George Laine.

Regnier of San Diego will also be with the Schooss family.

David and Annabelle Margolis, who have been in Beverly Hills and San Francisco, expect to be home soon, but will spend Christmas with their son Alfred and family in Los Angeles. This morning the junketing troupe gave a show at Fort Buchanan, brightening Christmas for many a homesick American boy. Christmas Day will find them doing a show at Guantanamo, with Jan running around with scripts and keeping an eye on things generally.

Art Exhibit Is Extended

The 1st Annual La Quinta Art Exhibit, currently at La Quinta Hotel, has been extended through January 3, it was announced today. Friends and admirers of the 14 artists represented at the exhibit have requested the extension so they may see the paintings during the holiday season.

Among the nation's top artists showing their work at the desert exhibition are James Swinnerton, Earl Cordrey, Jeanne Brady, John Morris and a number of his well-known pupils.

GERMAN PANCAKES at Howard Manor intrigued pretty little Nicci Ericson, daughter of screen actor John Ericson and his wife, Millie, and here she is testing them out on the Manor Chef Walter Luth. It was an interesting topic of discussion, too, as Ericson is from Dusseldorf and Luth from Hamburg. Ericson, who starred in "Pretty Boy Floyd" and "Under Ten Flags," is in "Serenade" with Elizabeth Taylor and was down here to see her before she left.

El Mirador Employes Have Gala Christmas Dinner Party

El Mirador Hotel was the setting for what was undoubtedly the largest Christmas party in Palm Springs, when Ray Ryan hosted the many employes of the Hotel and their guests at a staff Christmas party.

Held in the Silver Palm Room a mammoth buffet of delectable food prepared under the personal supervision of Chef Johnsen, was a particular delight to the party goers. Cocktails were served before dinner in the private dining rooms.

Mike Stimac, maitre d', took over the microphone when show time rolled around and, following introductions of host Ray Ryan, general manager Lloyd Sando, Richard Vander Veer, and various staff members, introduced singing cowboy Tex Kidwell.

Kidwell was followed by Kiva Room entertainers Pepe Callahan and Julio Corona. Music was furnished throughout the evening by Chuck Travis and his orchestra featuring Janie Saylor.

Genial Santa Claus, played by Clyde Rainwater, handed out Christmas gifts, which were exchanged between staff members.

Women Golfers Hold Luncheon

Tamarisk Country Club's Woman's Golf Auxiliary held a Christmas luncheon, following a round of golf Tuesday. The 50 women enjoying a buffet luncheon (served by "Tiny" Olivastro) at a T-shaped table beautifully decorated in a silver and gold scheme. A gay Santa sat in the middle of the "T," with a miniature, decorated Christmas tree at the foot of the table. Each women's place setting included a silver and gold angel as well as a leatherette tee holder.

Prizes were awarded by tourney chairman, Mrs. Lillian Corman, for tournaments during the month of December and a jolly time was had by all while Mrs. Frances Fink presided in her inimitable way.

Moores' Holiday Party Is Festive and In The Atmosphere of Christmas

By HILDY CRAWFORD

Five hundred glowing farolas made a picturesque scene for arriving guests at the cocktial buffet given by Isobel and Gar Moore at their Paseo de Anza estate Thursday evening. The Mexican type candles in sand in waxed sacks, outlined the roof and the patio area and the long walk skirting the pool, where a length of blue carpet led to the house.

The party honored Mr. Moore's son Bill McMahan, who is here for the holidays.

The house, which is undergoing re-decoration, was in festive array and guests being greeted by their hostess, wearing a long flowing chiffon gown of Christmas green, found their eyes straying, divided between the charm of the hostess and the fabulous decorations.

An eye catcher was the lighted Christmas tree in a picture frame on one wall. The work of Richard Strauss, John Morris's gifted assistant, is was created of vari-colored and many-sized Christmas ornaments, with flicker lights behind them. The high planter, that is room length was filled with miniature Christmas trees, with colored flicker lights, twinkling on and off. Antique candelabra on the walls and on the 15-foot marble coffee table, held lighted blue green tapers.

On the wall behind the long divan is a fabulous collection of santos, hand-carved, painted and gilded figures of saints, from 18th century colonial Brazil, probably the only collection of its kind in this country, outside of museums. Red roses in cut crystal vases picked up the Christmas red.

The John Morris paintings throughout the house were other conversation items, as were the Moores' poodles and their friendly feline playmate, and the brilliant-plumaged macaw and the rare Brazilian parrot.

The gold and white salon, with a fire in the corner fireplace, and the candlelight reflected in the crystal chandeliers, was a charming setting for the party. Here the white of the rug and the light furnishings complemented the holly reds and Christmas tree greens of the gowns. The handsome host, favorite of stage and screen, whose avocation is interior decoration, was being much congratulated on the new decor that has transformed the house. This is the house, formerly owned by Bill and Eve Brooks of Vantouver and occupied for a season or two by Howard Hughes.

Mrs. William Powell has never looked more beautiful than she did with her blonde hair piled high, and wearing a long green and gold original by Estevez. The Marchesa Lily Gerini's long evening coat of blues and greens matched her emeralds. Houseguest Dorothy Arnold (the first Mrs. Joe DiMaggio, pre-Marilyn Monroe) wore red chiffon, dramatic with her blonde pageboy hairdo, and a picture as she chachachaed with Brazilian Consul Raul deSmandek to the eticting music of Rio's favorite violinist Fafa and his trio. Phil Leserman, Virginia Farrell, Marjore (Mrs. Jack) Lambert were also in red, and white-haired Nancy Holmes (just back from Los Angeles where she attended the premiere of "Exodus") was stunning in Christmas green. Dorothy Gray Brown was wearing a lace gown with satin wrap in shocking pink, and Marjel DeLauer's long gown was in almost the same shade. Peggy Lester, who was escorted by Bob Taliaferro, was wearing her new pearl tourmaline mink that bears the label "Minny Ginny Moo" that is designed to completely confuse any woman who gets this coat in a coat room jumble..

Dinner was served al fresco in the warming glow of heat lamps, and featured duck flambe and red cinnamon crabapples, spinach salad, a corn casserole and was accompanied by a rose wine. Santos, himself, brought in the elaborate dessert, a great platter with scoops of coffee ice cream, over which maple syrup had been poured, with almonds sprinkled on top, and the whole nestled in a meringue shell, with a meringue wreath and decorations.

Guests at the party, which was colorful enough for technicolor and smart enough that someone remarked it looked more like a diplomatic salon than a Palm Springs party, included: Virginia and Charles Farrell, Mousie and Bill Powell, the Bill Perlbergs, Joe Halls, neighbors the John Porter Clarks and Mari and Stewart Williams, May and Dave Harris, Mary and Bob Alexander, who are here from San Antonio for a Racquet Club stay, the Lester Seligs, Carl Lesermans, Jeanne and Sherm Hall (Jeanne in a fabulous blue green gown with antique necklace that picked up the blues), Janice and Frank Bogert, Blake and Ray Corliss (Blake just back from Mexico), Mary Hurrell, Ed McCoubrey, Jimmy Morton (he's been north in San Francisco), John Morris, Richard Strauss, Marjorie Phol, Mary Dayton, Kathy Herrick (lovely in gray) and more.

Deutsch Group Holds Annual Dinner Here

Executives and employes of the Deutsch Corporation of Banning met in the Chi Chi Starlite Room for their annual Christmas dinner party and were entertained by a star-studded show featuring Dorothy Shay.

Mr. and Mrs. Alex Deutsch of Los Angeles motored to Palm Springs for the gay party.

From Banning were Mr. and Mrs. Eddie Jones, Mr. and Mrs. Roland Lawrence, Mr. and Mrs. Donald Lea, the Leonard Brooks, Mr. and Mrs. Lee Haydock, Mr. and Mrs. Leon Barris, Mr. and Mrs. Bill Myers, Mr. and Mrs. Duke Kebow, the John Durantes and Pete Johnsons. From Yucaipa were Mr. and Mrs. Ernie Hollenbargh and from Beaumont were Mr. and Mrs. C. C. Douglas. Joining the group from Los Angeles were Mr. and Mrs. Henry Comeau.

Holly and Wreaths Deck Thunderbird for Party

Green holly and pastel blue wreaths, large gold sprays with golden bells, decorated Thunderbird Country Club for its Christmas Dinner party. Table centerpieces of green blue and red ornaments were lighted with green candles.

Santa Claus made his appearance, with a gift for each guest, through special arrangements made by dinner chairman Mrs. Victor Hugo-Vidal. Her co-chairmen were: Mmes. Rolland Brown, Lou Manseau, Fred Klemp and Kenneth Norris.

Mr. and Mrs. Victor Hugo-Vidal hosted a table for: Messrs. and Mmes. Paul Reynolds, Ralph Singer, Leo Canelli, Chauncey Needham, Joe Froggatt, Sol Manasse, Glenn Doughty, Earl Buckingham and Dr. and Mrs. Rolland Brown. Messrs. Bank Employes Enjoy Party

Bank of America employes enjoyed a Christmas party Saturday at the new Palm Springs Elks Lodge. Forty employes and their spouses were treated to cocktails and a prime rib dinner followed by gifts handed out by Santa (G. H. Mitchell, assistant cashier) and dancing to the Lodge's juke box.

IN DESERT TRADITION, the 10-foot Christmas tree at City National Bank is made entirely of smoke tree branches, sprayed white and decorated in a blue that matches the building decor. Created by Robert Routon and Margaret Hughes, it is the Palm Springs entry in a Christmas tree contest sponsored by City National Bank of Beverly Hills. All nine branch offices are contesting to see which has the most original decorated tree, done entirely by employes.

TELEVISION IN REVIEW

Color Television Makes A Big Difference on Quality

By FRED DANZIG
United Press International

NEW YORK (UPI)— The words of the Bible provided the script for the "Project 20" holiday presentation, "The Coming of Christ." The "cast" consisted of about 300 camera-caressed painting masterpieces

With that kind of borrowing going on, I'll simply borrow words from the program's advance publicity and let them serve as my basic review. It's not often, you know, that a TV show lives up to its own advance publicity. Said the handout:

"UNDER THE direction of producer Donald B. Hyatt, the three elements—the paintings, the Biblical words and the music—have been fused into a reverent and inspiring drama of the Savior's coming into the world and of the opening years of His ministry on earth."

I would also compliment Alexander Scourby for his narration and Robert Russell Bennett for his background music. They helped turn out an altogether beautiful and quietly moving interlude. But then, it seems I have a weakness technique. When done well, it's powerful stuff and it certainly was done well Wednesday night.

I TRIED WATCHING a little of "The Coming of Christ" in black and white, to see if color made a difference in my enjoyment of the program. Color made a big difference. Since a number of readers have asked whether color TV is worthwhile, let me use this space to give my opinion.

Color TV has me hooked. Man, without an ocassional carefully produced color TV show, I'd probably go batty looking at black-and-white exclusively. In fact if I sometimes sound enthusiastic about a TV show—it has happened you know — and it's a show you thought was a black-and-white blob of blah, perhaps one factor contributing to my enjoyment was the expert use of color.

There are color shows that are awful, too. "The Shirley Temple Show" tapes aren't very impressive. Baseball and football are great pageants when the sun is high and the shadows are short.

So, if Uncle Charley sends a color TV set to your house for Christmas, don't chop it up for firewood.

GLANCIN' WITH DANSON

HOLLYWOOD: The recent birth of Pres-elect John Kennedy's boy brought to mind a story that concerns John Russell, star of "Lawman." It seems that John (Russell, that is) was pacing the floor waiting for his first child to be born. Finally, a nurse neared his corridor and announced, "You have a son." Another expectant father jumped up and said, "Say, what's the idea? I was here before he was!"

Jim O'Leary, the KBIG mid day disc jockey who flies to work every weekday from his Long Beach home to the radio Catalina studios in Avalon, is probably the only air personality with a no-baseball contract. At his last station Jim busted a cheek-bone while playing his favorite game and had to leave the air until it healed. (A broken arm in college prevented him from going into the game of baseball as a pro.)

Now, bowling takes up the slack!

Then there's the observations of our friend Henry Morgan who's on the panel of "I've Got a Secret." Henry observes that the difference between a man and a woman is that a man will pay two dollars for a one-dollar item he wants, while a woman will pay one dollar for a two dollar item she doesn't want!

A fellow on the boulevard the other day told me that there has been a woman behind every successful man. Napoleon had his Josephine; George Washington had Martha . . even Heinz had his tomatoes!

Fletcher Markle has been signed by Roy Huggins, the new vee-pee in charge of production at 20th Century-Fox, to co-produce the new hour-long "Hong Kong" series. Markle will alternate with producer Herbert Hirschman.

Brian Aherne, who portrayed the title role in "The Twilight Zone," episode "The Trouble With Templeton," entered acting only because his first boss fired him when he refused a transfer to a West African post with the firm. The only other job he could get was on the stage, and it led to a succession of starring roles for the actor.

The funniest television show currently on the air, "Candid Camera" will soon be showing Van Johnson, Buster Keaton and George Gobel in future productions.

ALAN YOUNG STAR IN SHOW

Television Finally Goes All The Way--Talking Horse

By VERNON SCOTT
UPI Hollywood Correspondent

HOLLYWOOD — (UPI) — Television has smitten the public with everything but a talking horse—and now we're going to have a talking horse.

In a new syndicated show starring comedian Alan Young, viewers will be treated to "Mr. Ed" which happens to be the title of the new series, an equine who gabs away like a magpie.

STARTING JAN. 6, the horse, an affectionate palomino, will head for stardom of a sort. He has his own dressing room and makeup man.

Young, a whimsical character to begin with, is somewhat puzzled about co-starring with a nag.

"I got the role because I look like a guy who can get along with animals," Young said during a brief fling at self-analysis.

"THAT'S WHY I co-starred with a lion in 'Androcles and the Lion.' Maybe I have the kind of face that could hear animals talk."

Young has high hopes for his new show and has overcome a personal distaste for horses.

"I never liked to be around 'em before," he said. "What good is a horse if you don't ride him. But Mr. Ed is a lovable critter. Offscreen he takes every chance to nuzzle me.

"MAYBE THE SHOW is affecting me a little bit. Every morning when I come on the set I say hello to him. What worries me is that I find myself waiting for an answer."

In the series Alan plays an architect who buys a place in the country to get away from it all. On inspecting the barn he discovers an abandoned horse. Midway through the first episode the palomino begins talking to him.

"He isn't like Francis the mule who talked to everybody," Young went on. "He only converses with me.

"IT PROVIDES A lot of funny situations. The horse gets fed up with his life and undertakes projects of his own.

"It so happens he's a big TV fan but can't stand westerns. He doesn't like the way horses are trated on television.

"Mr. Ed eavesdrops on my telephone conversations on the party line, jumping into the conversation. The other people think I'm the one who's causing all the confusion."

Alan sighed deeply and concluded, "The two of us are great friends on the show, sort of like Amos and Andy — only one of us is a horse."

Gillman May Quit L.A. for Vikings if Chargers Move

Hillman Ready to Go South

LOS ANGELES (UPI) — Speculation was rife today that Los Angeles Charger football coach Sid Gillman might join the Minnesota Vikings should the Chargers move to San Diego.

Bert Rose, general -manager of the Vikings—ready to operate in the National Football League next year—was believed to have approached Gillman already about such a move.

Charger owner Barron Hilton of the hotel chain has agreed to discuss a possible move south after the first of the year. He so notified the San Diego Chamber of Commerce.

The chamber Friday invited Hilton to discuss the matter.

THE CHARGERS have lost an estimated $900,000 in this, their first season in Los Angeles.

Hilton previously had denied having any thought of leaving Los Angeles in 1961. After receiving the chamber's offer, Hilton issued the following statement:

"This invitation from San Diego is among several I have received to visit cities which have expressed interest in moving the Chargers.

"Although it still is my desire to continue to operate in Los Angeles, I would be remiss as president of our club if I did not investigate the enthusiasm expressed . . . in the telegram. I plan to visit San Diego in the near future and meet with its officials for the purpose of determining the nature of their proposal."

Lakers to Leave on 6-Game Road Trip

LOS ANGELES (UPI) The Los Angeles Lakers professional basketball team finished a strenuous workout today, then took time off to enjoy Christmas before leaving for New York where they start a six-game road trip Monday night against the New York Knickerbockers.

Fugazy Trying to Promote Moore-Schoeppner Fight

Negotiates for Bout to go with Heavies Battle

NEW YORK (UPI)—Promoter Humbert Jack Fugazy today asked Santa Claus for an Archie Moore-Erich Schoeppner light-heavy weight title fight as a theater-TV "companion" to his Floyd Patterson-Ingemar Johansson heavyweight championship brawl.

Schoeppner of Germany is European light heavyweight champion.

If the two international title matches could be staged within 30 days of each other, even though in different cities, they could be parts of a closed-circuit TV doubleheader at a production cost only slightly higher than for one theater-TV fight.

PATTERSON AND Swedish Johansson already are set for their third match at the Miami Beach Convention Hall on March 20. Fugazy wants to stage the Moore-Schoeppner bout in late February. Not site has been selected yet.

Forty-six-year-old Moore also is pleading with Santa for this February match against Schoeppner because if Archie doesn't sign within 18 days for a title defense, the New York State Athletic Commission may lop off another portion of his crown.

THE NATIONAL Boxing Association vacated his title three months ago because of his long delay in making a defense. He hasn't risked his diadem in 16 months. Archie is still recognized as ruler by New York, Massachusetts, California and most European countries.

Although no closed-circuit contract for the Patterson-Johansson fight has been signed yet, Teleprompter Corp. is expected to get the rich plum.

Seventy-four-year - old Fugazy, busy today at home with Moore-Schoeppner negotiations, will go to Miami Beach next week "to get the ball rolling on early arrangements for the March 20 fight."

Trippu Considered as Successor for Butts

ATHENS, Ga. (UPI) — Former football great Charlie Trippi was mentioned today as a possible successor to Wally Butts, who resigned Friday as head football coach at the University of Georgia Trippi presently is backfield coach at Georgia. As a quarterback on some of Butt's greatest teams in the 1940's he gained All-America fame for his unerring passing ability and deceptive speed.

TRIPPI WAS VOTED into the football Hall of Fame in 1959. He captained Georgia's undefeated, untied Sugar Bowl championship team in 1957 and led Georgia to victory in the Rose Bowl in 1943, and the Oil Bowl in 1946. He generally is considered the greatest all-round back in Southern football history.

Trippi played for the Chicago Cardinals for almost a decade before returning to Georgia to join Butt's coaching staff.

Following announcement of Butts' resignation, Trippi said the job h- not been offered him but that he certainly would consider it if he is approached.

BUTTS LENT support to Trippi's chances by saying in an interview with United Press International that he hoped his successor would be a University of Georgia graduate.

However, this still left the field open to many other possible replacements, who along with Trippi, were tutored under Butts' regime.

Among them were Georgia freshman coach Johnny Griffith, and assistant Auburn Coach Buck Bradberry.

BUTTS OFFERED a simple explanation for leaving the head-coaching spot he has held for the past 22 seasons at Georgia.

"I've been a head coach for 32 years," he said. "That's long enough to be in the coaching business.

"I haven't been sick yet," he added quickly. "I can still walk and talk. But I don't want the pressure to take its toll on my heart.

"You have to be young to follow the route I have . . . There's nothing I can do now that I haven't done before."

Butts' record as head coach at Georgia, including bowl games, stands at 140 victories, 86 defeats and nine ties.

Johansson Plans to Correct Mistakes

STOCKHOLM, Sweden (UPI) — Ingemar Johansson will study films of his first two bouts with Floyd Patterson in order to avoid mistakes in his third title fight with the champion in Miami Beach, Fla., next March.

Johansson, writing a signed in story about the coming bout the Rekord, owned by his manager Edwin Ahlqvist, said he would especially enjoy viewing movies of the first fight which gave him the title.

BOWLING

B. DiGrandi and Harry Krings, rolling in the Wednesday Night Scratch League at Palm Springs Bowl, set the season's high marks for the alleys this week when both chalked up a 255 game. DiGrandi also had high series for the week with a 3-game 626.

John Marinko of the Pacemakers League also stepped out with a 232 game, just one off his season's high of 233 in the league.

Ed Wassell in the Franchise league rolled a 214 score and Herb Phillips, 213 in the Industrial league.

Nello DiGrandi kegled a 209 in the His and Hers league to lead the men and Valeria Toth a 168 to lead the women.

Bob Blauvelt, bowling in the Guys and Dolls league scored a 209 and Virginia Blackstone rolled 201 to lead the women.

Betty Gray topped the Palmettes during the week with a high 210 game, while Dottie Manthey rolled the high series for the week of 524.

Injury Jinx Still Haunts Huskies On Eve of Game

LONG BEACH (UPI) —Washington, bothered by a continuous string of injuries since its first game of the football season, has lost reserve fullback Joe Jones for its Rose Bowl battle with Minnesota Jan. 2.

Jones, an outstanding defensive player, underwent an emergency appendectomy late Friday after complaining of stomach cramps. The Vallejo senior was in satisfactory condition at St. Mary's Hospital.

The loss of Jones was a blow to Husky coach Jim Owens who immediately moved third - stringer Ron Quincey, a 195 pound junior, into the No. 2 position. Quincy saw only 21 minutes of action during the 1960 season as compared to Jones' 234 minutes of playing time.

Gophers to Take Christmas Holiday

PASADENA (UPI) — Minnesota's Golden Gophers, in the unusual Christmas climate of Southern California - warm and sunny, will take a little time off Sunday from their Rose Bowl preparations.

The Big Ten champions plan to enjoy a little holiday cheer at a party in the Huntington-Sheraton Hotel. The wives of the married players will be in attendance, and as for the single men the Rose Queens will make them feel at home—even without snow on the ground outside.

Minnesota had one of its most spirited workouts Friday afternoon, ending the roughneck festivities by carrying Coach Murray Warmath off the field in a mock victory celebration.

All-Stars Wind Up Drills for Contest

TUCSON (UPI) — The Big-College All-Star and the Small - College squad held their final practice session today before their clash Monday in the All-American Bowl Football Game.

Indians Play in Perris Tourney Starting Monday

Palm Springs High Indians, showing surprising strength in the Banning Block B Christmas tournament this week, swing into action again next Monday when they enter the first round of the Perris Lions Club Tournament at Perris.

Coach Jim Workman's boys face a tough assignment in the first round at Perris, the draw pitting them against San Jacinto at 4:30 p.m. San Jacinto is one of the favorites to take this season's DeAnza League title.

Coach Jim Workman was pleased with the progress of his Tribe cagers shown in the Banning tournawith an 0-2 record and won three while losing one for a 3-3 mark to date.

Tyrone Taylor, Indian forward, with 72 points was high scorer for the tournament and was chosen on the All-Tournament team. Taylor's tourney average was 18. Carlos Reyes swished through 52 points for a 13 average. Of the other regular starters, Gus Walton had 33 points for an 8.25 average; Ron Studebaker and Mark Edwards, 26 each for an average of 6.5 each.

Beatty Signs Up for L. A. Indoor Meet

LOS ANGELES (UPI) — The Santa Clara Youth Center's Jim Beatty, the only American to have bettered the 14-minute barrier for 5,000 meters (13:51.7) today signed up to compete in the Los Angeles Invitational indoor track meet in the Sports Arena Jan. 21.

Santa Anita Prepares For Record Opener

ARCADIA (UPI) — Santa Anita looked forward today to one of its greatest opening days in history Monday with a crowd of 66,000 predicted on the Christmas legal holiday.

Following the opening day's program, which features the running of the $20,000-added Palos Verdes Handicap at six furlongs, the track will be dark Tuesday.

And Tuesday was set for a final showdown session with parimutuel clerks and building service employes who have voted to strike unless wage demands are met. But the unions agreed to permit the track to open Monday and there was a good possibility of ether a settlement or continuation of negotiations while racing goes on.

The Palos Verdes drew a field of 16 speedy thoroughbrds headed by Fleet Nasrullah, Golden Notes, Clandestine, T.V. Lark, Bagdad and Aliwar.

Clandestine and Golden Notes both are former winners of the Palos Verdes, the traditional opening day feature. Clandestine scored his win last winter, barely edging Fleet Nasrullah in the stretch drive.

SCIENTISTS TO HEAR OF TRUTH

Proclaiming that the same light of hope and joy which guided the shepherds of old to the Christ child is again leading to the Christ, Truth, which saves and heals, the Lesson-Sermon entitled "Christian Science" will be heard Sunday in all Churches of Christ, Scientist.

The Christmas story to be read from Matthew's Gospel will include the following, "Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him . . . When they saw the star, they rejoiced with exceeding great joy" (2:1,2,10).

In "Science and Health with Key to the Scriptures" Mary Baker Eddy writes, "Led by a solitary star amid the darkness, the Magi of old foretold the Messiahship of Truth. Is the wise man of today believed, when he beholds the light which heralds Christ's eternal dawn and describes its effulgence?" (p. 95).

The Golden Text keynotes the sermon in Peter's words, "ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light" (I Peter 2:9).

Rev. Goodrow Set To Sing Midnight Mass at Church

The church choir will sing for all Christmas day services. Soloists are Lois Leek, Leo Rojo, Joe Wood and Peg Rashall.
